LETTER OF REFERENCE

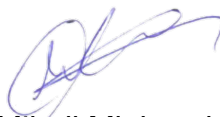

Commetric Ltd. is a company that provides its customers with a variety of services in the field of media analysis, news monitoring and software development. Founded in 2005 and part of an international group with English ownership, Commetric is enjoying flourishing business and stable earnings growth.

We have been working with Vassilev & Partners Law Firm since 2017, during which time they have consulted us on a numerous of cases and legal matters, including:

- Consultations in the field of Commercial Law and Corporate Governance;
- Drafting and legal review of contracts for consulting services;
- Appointment and registration of procurators;
- Amendments to rental and Employment Agreements;
- Liquidation and de-registration of Commetric Group companies;
- Registration of changes in the company files of Commetric Group companies with the Bulgarian Commercial Register;
- Consultations in connection with the fulfillment of KYC / AML requirements of banking institutions;

For a company like ours not having an internal legal department it is of vital importance to know that we can rely on timely in-depth legal expertise and assistance for solving the various legal issues that we encounter in our day-to-day work.

I am pleased to confirm that in each of these cases we were extremely pleased with the competent and prompt legal assistance rendered by atty. Vassilev and his team.

/Mihail Minkovski - CFO/
