RECOMMENDATION REGARDING

VASSILEV & PARTNERS LAW FIRM'S LEGAL SERVICE

Dear Madam or Sir,

My name is Yariv Shabtay and I provide legal service in Israel for many law office as well as private clients.

Most of them are applying for Portuguese nationality and some of them were born or live in Bulgaria for some time, thus they need to provide the authorities with official legalized conviction certificates and/or birth certificates from Bulgaria.

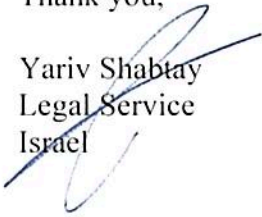

For the past 3 years, I am working with Vassilev & Partners Law Firm, which successfully obtains for my clients and me the needed official documents from Bulgaria.

All this time I received nothing but high-end legal service from the law firm.

I have always counted with fair rates for the service rendered, good understanding and perfect flexibility when dealing with the various demands from my clients.

I highly recommend the work by Vassilev & Partners Law Firm.

Thank you,

Yariv Shabtay
